PENCIL BRUSH

The image features a series of dark, textured charcoal brush strokes that form a continuous, wavy, zigzag pattern across the frame. The strokes are thick and have a grainy, charcoal-like appearance. A bright blue rectangular banner is positioned horizontally across the middle of the image, containing the text "CHARCOAL BRUSH" in a white, handwritten-style font. The background is a light, textured yellowish-beige color.

CHARCOAL BRUSH

The image features several large, expressive charcoal strokes on a solid yellow background. The strokes are dark grey and black, with visible texture and shading. One large stroke forms a vertical loop on the left, while another forms a large 'C' shape in the center. A smaller, horizontal stroke is positioned to the right of the 'C' shape. A blue rectangular banner is placed over the lower right portion of the strokes.
